AutoStrain LA eLearning

AutoStrain LA eLearning – AutoStrain LA provides simple and fast LA Global Longitudinal Strain through Auto View Recognition and labeling, Auto Contour Placement and fast speckle tracking. This eLearning will review the features and workflow of the AutoStrain LA tool.

The AutoStrain LA eLearning module will:

· Describe the benefits of AutoStrain LA on the EPIQ ultrasound system
· Review the steps essential to AutoStrain LA workflow
· Describe the steps needed to edit a tracing in AutoStrain LA

This course is intended for customers who have purchased the AutoStrain LA options.

This ASRT–accredited module is a self–paced tutorial consisting of enlightening content and colorful images.
